SAFARI GIANTS

CONSERVATION THROUGH TRAVEL & ADVENTURE

A safari is more than a holiday, more than a destination.

It's a way of exploring. A way of observing. A way of existing. It's a way of seeing the ordinary as extra-ordinary. It's enjoying the journey. And it's a way of making memories through adventure.

As a bespoke tour operator, safari and travel company, our aim is to create fun, memorable experiences while making a difference in Africa and for Africa.

We are the proud partner of **#badEM** 2020 and would like to invite you to book your pre or post travel with us. Popular adventures include:

Victoria Falls & Okavango Delta | Cape Town and Victoria Falls | Cape Town & Sabi Sabi | Victoria Falls & Mana Pools | Self Drive Safari | Okavango Delta, Sossusvlei & Skeleton Coast | Cape Town Day Trips | Cape Town Peninsula Tour | Cape Winelands Tour

We create adventures for groups, families, couples and single travelers.

SAFARI GIANTS WILL GO TO THE ENDS OF THE EARTH FOR YOU, AND WITH YOU.
